## THE SIMPLE SOLUTION

Our product is a flexible abattoir and meat processing solution for emerging markets. It's easy to operate, easy to clean, and easy to maintain.

## PROFESSIONAL DESIGN

Our special design has been chosen by professional butchers who have handpicked the equipment and designed the container for the highest quality.

## A HIGH-QUALITY PRODUCT

The container is designed with equipment from European manufacturers, in order to ensure the best quality for the best performance.

## READY-TO-USE

The container is premounted - just add electricity, water, and blue gas.
